Riverside Park

Covered by Permit Type: CA, RR & R

The River Loddon at Riverside Park is approximately 800m running from Lower Earley Way to the George Pub. This venue was added to the ticket in June 2010 just before the start of the fishing season.

The River Loddon at Riverside Park is a Mixed Fishery with Carp to 20lb, Barbel 15lb, Chub to 7lb, Pike to 25lb, Bream, Perch Roach, Rudd and Eels.

There is no formal parking for Riverside Park. (Similar to Southlake, parking is safe around Riverside Park. Please ensure that you do not cause obstruction to home owners, members of the public and other road users.)

***Riverside Park* IS SUBJECT TO THE FOLLOWING ADDITIONAL RULES**

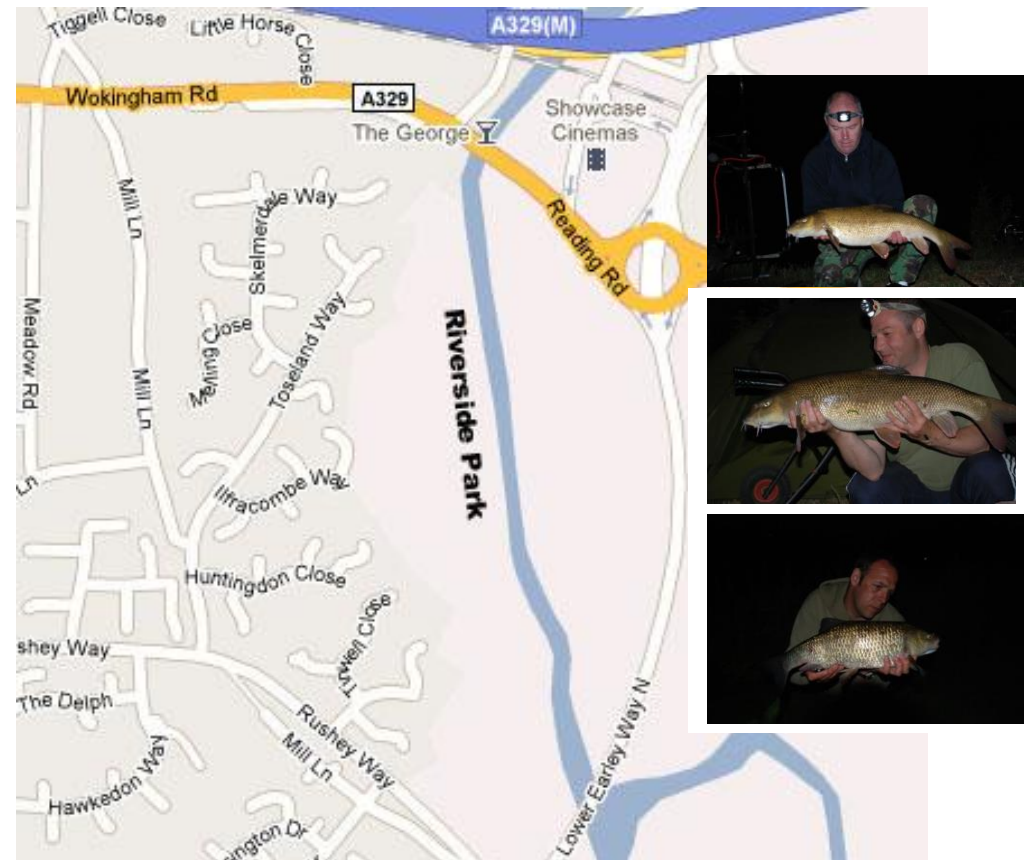

- Riverside Park fishing season is from 16th June to the 14th March inclusive
- Anglers are not permitted to fish within restricted areas adjacent to overhead electricity cables and must be at least 30 metres away from any source of electricity.
- Strictly No Wading at Riverside Park
- Only Barbless or Crimped hooks to be used at Riverside Park

LOOK OUT LOOK UP, FISH SAFELY

PLEASE BE AWARE THERE ARE OVERHEAD CABLES RUNNING ACROSS THE RIVER ALONG OUR STRETCH OF THE RIVER LODDON AT RIVERSIDE PARK

Riverside Park Earley, Berkshire RG6 7YA

Southlake

Covered by Permit Type: CA Only

Southlake at 18 acres with around 30 swims is our main carp fishery. There are at least 10 different 30lb fish including 2 commons and the lake record, a mirror at 39lb 10oz. These are supported by a stock of 20lb fish with a large proportion of these being upper twenties. The non-carp anglers are catered for with tench to over 9lb, plus good stocks of roach, rudd and perch.

Pike anglers will also find Southlake to be very productive in the winter, as multiple catches are possible with plenty of fish to low doubles.

There is no formal parking for Southlake. (Similar to Riverside Park, parking is safe around Southlake. Please ensure that you do not cause obstruction to home owners, members of the public and other road users.)

Southlake IS SUBJECT TO THE FOLLOWING ADDITIONAL RULES

- Southlake fishing season is from 16th June to the 31st March inclusive.
- Members fishing Southlake may only be permitted to fish for a maximum of 72 hours on any one session, and must vacate the water for 24 hours before returning to fish.
- Members may fish with 3 rods from October 1st to March 31st inclusive when fishing at Southlake.
- When carp fishing, apart from surface fishing, back-leads must be used at all times.
- Entry to the bird sanctuary area and duck pond for any reason is prohibited.
- No casting behind the island from the Bay swims or the Cut-Out.
- All roped-off areas are out of bounds.
- The Cut-Out is a 1 person swim only, no doubling up.

Southlake

Woodley, Berkshire RG5 3HW

Redlands

Covered by Permit Type: CA & RR Only

Redlands is just over 8 acres with 40 swims, this lake is a general fishery. There are large shoals of bream to double figure, double figure tench, a good head of double figure carp, plus good stocks of roach, rudd, perch and pike.

There is also the backwater of the river Loddon running alongside the lake. This can throw up surprising catches at times, with barbell, chub and good bags of roach and dace.

At Redlands there are a number of swims that have been prepared to cater for disabled anglers.

Redlands has no closed season, however the river adjoining the lake is strictly June 16th to March 14th fishing only

There is secure formal parking at Redlands, which is accessed via a secure gate from the road. A key is available at a cost of £10.00 when applying for membership or from one of the bailiffs. (Please be courteous when parking so as not to cause obstruction to other members.)

Redlands IS SUBJECT TO THE FOLLOWING ADDITIONAL RULES

- Members may fish with 3 rods from June 16th to March 14th inclusive when fishing at Redlands.
- Fishing is permitted at Redlands all year round, with the exception of the river Loddon which is subject to the normal close season March 14th to June 16th inclusive.
